The tournament take place only on lanes, connected to the TenPinCam platform.

Players are eligible to submit registration on www.tenpincam.com, or via the mobile app – download links available on the website.

Players must bring their own device to the tournament; the game is controlled & registered either on www.tenpincam.com or via Mobile app. The device has to be compatible with the platform – players are requested to check the usability, and if possible, play a test game prior to the tournament to get acquainted with the format.

Players has to make sure the device will not run out of battery during the game.

To start playing, the device must be connected to TenPinCam.com WiFi, which is enabled in any bowling alley (password: TenPinCam).

5.8 Slow Bowling & Timeouts.

The frame timing is controlled automatically by the TenPinCam platform
For each frame (the 10th frame inclusive) the Player is given the time limit – 5 minutes. During this period the Player must ensure the correctness of the entered score of the preceding frame of the opponent, complete his frame, enter his score and confirm it.

Where the Player fails to confirm the frame score in time subject to the rules, upon expiry of the time the Player receives a yellow card. In case of a repeated delay of frame in excess of 5 minutes (after receiving a yellow card in the same frame or in any other subsequent shots of this game) the Player shall receive a defeat.

Autumn TPC Platinum 2023

The player has the right to take 5 minutes TimeOut – maximum twice per each game. Please use the respective button in the TenPinCam interface.
