5.3.4. The number of reentries are not limited.

5.3.5. **3-6-9 format:**

* 3-6-9 is a specialty bowling game. While it is bowled traditionally like normal bowling, 3-6-9 adds scoring by providing the participants with free strikes in frames 3, 6, and 9. **The first two frames are bowled normally. After the second frame, the computer automatically places a strike in the third frame.** Same with 6th and 9th frames.

To participate in the tournament, please ask the bowling operator to enable 3-6-9 format from the front desk computer.

** If your bowling center does not have the ability to turn on the 3-6-9 system, just do it yourself by putting in 3-6-9 frames X before the start of each game.

5.4. Draw result

5.4.1. In case of a tie, the player, who has best game result (with out handicap), gets higher place. If the tie persists – the game played earlier (with out handicap) will be decisive. If the tie persists – then the championship is retained by the player who threw the result first.
